

## POINT BAY MARINA

### **HEAVY WEATHER VESSEL PREP**

***This notice does not address any particular storm or weather event but is intended to advise you the boater on how to prepare your vessel in the event of approaching weather of extended duration.***

- INSPECT INTEGRITY OF ALL LINES AND CHAFE GEAR DOCK OR MOORING, ADD EXTRA LINES AS A PRECAUTION.
- BE SURE FENDERS ARE INFLATED AND SECURELY FIXED TO VESSEL, ADD EXTRA FENDERS AS A PRECAUTION.
- SAILBOATS – REMOVE ALL SAILS AND SECURE ALL HALYARDS
- ALL VESSELS – REMOVE BIMINI'S AND AWNINGS TO REDUCE WINDAGE AND FLYING OBJECTS
- ALL VESSELS – STOW AWAY OR SECURE OBJECTS ON EXTERIOR OF VESSEL SUCH AS CHAIRS, KAYAKS, COOLERS, ETC. (flying objects are a concern during a storm event of extended duration as our staff maintains around the clock surveillance of the docks and mooring area for the safety and security of your vessel and PBM property)

POINT BAY MARINA MONITORS WEATHER EVENTS SUCH AS HURRICANES AND TROPICAL DEPRESSIONS AND WILL NOTIFY OUR CUSTOMERS IF AND WHEN SUCH AN EVENT SHOWS THE POTENTIAL OF AFFECTING THE WEATHER IN OUR AREA. THIS HOWEVER DOES NOT RELEASE THE OWNER FROM THEIR RESPONSIBILITIES TO THEIR VESSEL AND PROPERTY
